

Member levels and benefits

The financial support of ISG's members is critical to our work, and we try to show recognition and appreciation when we can. We are a 501c3 nonprofit organization and memberships are acknowledged as charitable contributions for tax purposes. All levels receive access to member-only events; member discounts; and name on website and annual report. Action members and above are acknowledged on our monthly email update. We also have occasional event and publication sponsorships available. Contact us for more information.
