

## ABOUT THE ORG

Since 2000, Idaho Smart Growth has collaborated with partners around the state to create great places to live. As our state continues to grow, the urgency of smart growth and the desire to preserve and enhance our quality of life becomes more apparent. We offer a range of programs to help make our communities more attractive, economically stronger, and safer for everyone.

## WHY SPONSOR?

Sponsorship provides an excellent opportunity to tout your organization's commitment to smart growth and increase your visibility within growth and development circles. Your support provides critical financial sustainability to ensure Idaho Smart Growth can grow to meet the needs of our state.
